Sub: Bellary West Canal Project- Grant for the year 1925-26.

In continuation of this office No. 11-E.I., dated 14-1-1925, I have the honour to state that out of ---- Rs. 30,000 sanctioned in G.O. No. 313-I, dated 10-12-24 for the Bellary West Canal Project for the year 1924-25 it is not possible to spend more than Rs. 29,000.

2. The Assistant Exe. Engineer brings to my notice that within the period of 4 months it may not be possibl to complete the Project. The outdoor work will be completed in 2 months but it will take another 3 months for the completion of plans and estimates in the office. He requests that the continuance of the Sub Division by one month more may be approved. The extension of perio is quite necessary and may kindly be sanctioned.

3. A sum of Rs. 38,000 was originally forecast for the completion of the Project but a sum of Rs. 40,000 may be required due to the sudden closure of the Project in the middle of the investigation and reopening it again now. Under the circumstances a grant of Rs. 11,000 (Rs. 40,000 - 29,000) for the investigation of the --- Bellary West Canal Project may be sanctioned for the year 1925-26 under "15- Irrigation - Misc.
